## English conversation

### 1. Introduction

Learn English conversations for beginners, it is the best way to learn English conversations. Conversation and dialogue are the style of communication between people, it is a social skill that is not difficult for most individuals, and conversations are the ideal form of communication in all respects, as they allow individuals with different points of view on a particular topic to learn from each other.

### 2. How to introduce yourself in English

At the beginning of your journey to learn English, how to introduce yourself in English and talk about yourself is essential and very important, whether for beginners or students and also in the field of work, when applying for a new job, and in fact it may be difficult for some people when asking them (Introduce yourself in English), and others may find it easy but may have trouble deciding which points to mention when asked to speak for themselves in English.

### **3. Common phrases you can use to talk about yourself**

The way the question is formulated to introduce or talk about yourself may differ, but the answer is the same:

- ✓ **Tell me about yourself?**
- ✓ **Tell me something about yourself?**
- ✓ **Introduce yourself?**

When it requires you to introduce yourself or talk about yourself in English, as we mentioned, it is a mainstay for struggling students and English language learners who want to build their confidence to speak fluently in front of others, and you can do this by learning some of the most common sentences or phrases to talk about yourself, Which includes some basic points that you can add according to each situation.

**We can divide the self-talk into 5 sections to arrange the ideas and list them in an orderly manner:**

#### **1. Personal Information**

Of course, the first thing you need to do when you meet someone new, or even when you are interviewing for a job, introduce yourself by mentioning your name, age, nationality and where you live.

#### **Example:**

- ✓ **My name is Tom I am 25 years old.**
- ✓ **I'm from England.**
- ✓ **I live in Manchester with my family.**
- ✓ **I have three brothers and one sister.**

## 2. Education

In the second part, after providing personal information, you can talk about your educational level, whether you are a student at school, university, or even a university graduate. You can mention the name of the university, the department it belongs to, and the year of graduation so that the information is complete.

### Example:

- ✓ I am student at... university, faculty of..., ... department
- ✓ I've graduated from... university, faculty of..., ...department, year 2022 with grade good
